

2019-01-07 Minutes of PNDA Weekly

No formal meeting happened (people are just getting back from the holidays).

A few quick remarks:

- PNDA - ONAP meeting: A PNDA - ONAP DCAE discussion is scheduled for Tuesday, Jan/8 - 4:30pm CET / 7:30am PT at the ONAP-OPNFV DDF:
<https://sched.co/K1Gg> (details on remote dial in will be sent out in case remote dialin will be supplied)
- Topics for future meetings: (a) PNDA - DCAE data integration (link to DMaAP Kafka directly), (b) DCAE catalog intergration, (c) PNDA apps, (d) PNDA containerization
- Suggestion is to sent out the draft agenda for the weekly meeting the latest on Friday, so that community members can add to the draft agenda
